Event Information

ONE

GOAL it's simple....to attract sponsors to support our efforts in saving orphans.

The event is hosted by One Less Orphan Fund benefitting the Gladney Center for Adoption to raise funds and awareness for adoption funding. One Less Orphan Fund was created to help families that have a place in their homes and hearts to take on and orphaned child, but they may not have the money to pay the fees associated with a costly adoption. Our goal is to make adopting an orphan affordable to families who are willing and able to take on the amazing adventure of raising an orphan.
